Dear Councilor Siddiqui –

Thank you again for making the time to meet with myself and the directors of ADL and AJC. We greatly appreciate your time and your willingness to hear our perspectives. I very much appreciated your questions and I hope that my responses were helpful.

As a constituent and neighbor I greatly appreciate the thoughtfulness and diligence that you and your colleagues are bringing to this.

Please do not hesitate to let me know if there are other aspects of this that you'd like to discuss or if you have feedback for us.
